The Legacy of Nadine B. McMillon

Mrs. Nadine B. McMillon was the first PTSA President at Coral Reef Senior High when her now adult children were in M-DCPS. Her dedication to the school, students, faculty and staff, as well as her community, was unparalleled. There are no words to properly describe Mrs. McMillon's commitment to the mission statement of our beloved Florida PTA. She inspired other parents and grandparents to actively participate in the PTSA and other community service activities. The Coral Reef PTSA honors her legacy as a community activist by awarding this scholarship.
